Alert notifications in case of message failures or successful processing of critical business messages (such as new high-value invoice approved)	-	-	●

● Included – Not Included

*A message is an electronic communication exchanged via the capabilities of the cloud service. If a message is larger than 250 kilobytes, then any amount in excess of 250 kilobytes will be charged as one additional message for each 250 kilobytes or portion thereof. Additional messages are available for purchase.
